11   Write down something that your lecturer has done especially well.

* Explains very well
* He is very knowledgeable of the subject and teaches well.
* engaging us to lessons, making us understand and sometimes having consultation sessions
* He is friendly.
* Mr Ling does well to break down complex components of the subject
* Reads the questions we type in chat
* good job
* He's very encouraging and approachable when I face problems

12   Suggest something that might be of benefit to your lecturer in helping you to learn.

* Nil
* Probably more varieties of examples, or examples we can use in the real world.
* nil
* Highly suggest not to give assignments that is due during students' internship program as its very busy for the student as well.
* Nil
* NA. Perfect
* nil
* Nil

Legend:

SA: Strongly Agree
A: Agree
D: Disagree
SD: Strongly Disagree
(SA+A): In Agreement
(D+SD): In Disagreement

Note:

1. The system automatically calculates percentages. If the number of respondents is small, please ignore the percentages as they can be misleading.
2. Percentages may not add up to exactly 100% due to rounding errors.
